New SFMS Advisory Choice

There is a new opportunity for Advisory. SBAI parents will present an American Bar Association course on different aspect of law. If a student is interested in law, this will be a good course to explore. This advisory will be held at Stratford. Please contact Mr. Lefeber if you'd like your student to attend.

Volunteering Opportunity

Last year, Jean Hoang, a student in SBAI, volunteered to help math teachers at Spring Forest by staying afterschool and helping the teachers during their tutorials. Jean would like to continue the organization and is hoping some students will step up and help the Spring Forest community as she did. Not only will these students be helping their peers, but they will also learn how to teach others. In addition to following SBAI's vision of contributing to society, this is a great opportunity to meet friends while upholding a strong foundation in math. If your child is interested, please let Jean or SBAI know, so we can set up a date for Jean to provide a short training session and share her experience. It is one hour of volunteering, one or two days a week, after school. Math content ranges from 6th grade math to Algebra or Geometry. We will find the teachers and the right level of math who need your child's help. Spring Forest teachers have expressed their need and gratitude for this effort.

Crimestoppers

Jenna Fondren from Crimestoppers will be giving a presentation for parents on Wednesday September 18 at 6:30 PM in the Spring Forest Middle auditorium.

Absences and early pick up

Please call the attendance clerk at SFMS, 713.251.4604, or SHS, 713.251.3406, if your student is going to be absent. Also, email Jim Lefeber and Lisa Helfer any absences or if picking up a student before dismissal.

A permission slip went home Monday & Tuesday and attached.

SFMS Picture Day

SFMS Picture Day is Monday, September 30. The school dress code is still in effect. A schedule will be created and shared with students.

Art of the Brick

Opening October 7, at the Houston Museum of Natural Science: [*The Art of the Brick*](#) -- actual ART, with Legos...not just stuff built from Legos like those displayed in Lego stores, but Legos as an artistic medium (Editor's note: They haven't seen SBAI Lego Robotics Teams). Artist Nathan Sawaya manages to put emotion, whimsy, and creativity into Legos, more than you would think possible.

SFMS MULTICULTURAL FESTIVAL

The annual SFMS [Multicultural Festival](#) is one of the students' favorite events of the entire year. Students and families are invited to attend and experience this fun community event October 23 3:35pm - 5:00pm. Teachers and parents host dozens of tables that represent countries from all over the world. Students receive a passport to "visit" and learn about other cultures, sample food, listen to music and enjoy a wonderful learning experience.

Reflections Contest

Please encourage your student to sign up for the Reflections contest. The theme for the 2019-2020 program year is Look Within. Students submit their completed works of art in one or all of the available arts categories: Dance Choreography, Film Production, Literature, Music Composition, Photography, Visual Arts. Attached to the end of the newsletter is a flyer and registration form – due November 1. Please contact [Vanya Karia](#) for details.

If you know of conflicts on these days please let Mr. Lefebvre know by October 1, so we can attempt to avoid the conflict.

Differentiated Learning Plan Conferences, 9th Grade

Differentiated Learning Plans list yearly goals for student progress. DLPs will be going home with students along with the first nine-weeks report cards around October 17. Ninth-grade parents and students will have the opportunity to discuss their DLP Wednesday October 23 at Stratford HS. Times will be based on student elective schedules. Second Annual SBAI Pathways Event

Planning for the 2nd Annual Pathways event in January 2020 is underway. Pathways is a two-day experience that allows SBAI learners to explore careers in an enjoyable, engaging way. If you are interested in contributing to this body of work, please contact [Susan Fargason](#).

Bus Information and Tardies

If Ms. Helfer has left the SBAI Pod at SHS with a group of bus students and a student runs out after her, the student is going to be given a tardy. Two tardies in a week results in an after-school detention or two lunch detentions.

Stratford Playhouse

Stratford Playhouse has lined up a very exciting 2019/2020 Season! It starts off with the whimsical play, "Peter and the Starcatcher." The big musical this winter will be fun and family-friendly: "The Drowsy Chaperone." And then we end the season with a bang with "Mamma Mia!" Season tickets went on sale Monday, August, 19th. Don't miss out on the chance to get the best seats in the house! Go to <http://www.shsplayhouse.org/> to get your tickets.

SFMS PTA Membership Toolkit

For School directory, messages from Mr. Barnes, volunteer opportunities, and Spirit Store please sign up with Membership toolkit. The [MTK app](#) is available to download on your phone.

SFMS School Uniforms

New PTA uniform additions may be worn any day of the week. These additions include athletic uniform bottoms and an SFMS spirit shirt. Students wearing PTA approved leggings/tights may wear any SFMS spirit shirt as long as that shirt covers the posterior area appropriately. Also, any SFMS spirit shirt may be worn with the spirit wear athletic shorts. These uniform additions may not be substituted for P.E./athletic uniforms. Also new this year will be the option for students to wear a college shirt with uniformed bottoms on Wednesdays.

Preparing for High School

Eighth-grade students will be asked to choose an endorsement, similar to a college major as it is an "area of interest" that students may pursue in high school. The five endorsement areas are Arts and Humanities, Business and Industry, STEM (Science, Technology, Engineering, Math), Public Service, and Multidisciplinary Studies. Students are able to earn more than one endorsement and change endorsement any time before their junior year. A pathway is a series of course options needed to earn a particular endorsement. There are several pathways within an endorsement.

Below is a Graduation Toolkit produced by the Texas Education Agency. [Graduation Toolkit English](#) The link below allows you to see the pathways offered at Stratford High School. Click on the links to the five endorsements to find the possible pathways. Click on the pathways to see courses that would satisfy the pathway and earn the endorsement.

We are excited to announce that payment of the Digital Expansion Optional Technology Fee is part of the district's pilot of [MySchoolBucks.com](https://www.myschoolbucks.com) in the 2019-20 school year. [MySchoolBucks.com](https://www.myschoolbucks.com) is a convenient online payment service that will allow you to securely pay student fees with your credit or debit card or electronic check.

REGISTER [here](#) at www.myschoolbucks.com to set up an account to pay the Optional Technology Fee online. When you create your account, you must add your student to your account. It is beneficial to have their school ID number with you, also known as their lunch number. Once your setup is complete, you will be able to click on the "Browse All Items" button and it will take you to the technology fee. Remember, you are only allowed to pay for the technology fee online. If you wish to purchase or donate towards the carry bag then that is done at the school. We will also accept payments via check or cash in our front office or you can send it with your student and he or she can pay it to their advisory teacher.

We hope to have additional fees available for payment online in the 2020-21 school year.

Thank you for your patience. Please do not hesitate to call us if you have any questions or concerns.
